4. When Nikola solved the problem, the crowd at the demonstration was delighted but upset about getting wet.
5. According to the text, Nikola Tesla's later inventions were limited to electrical systems for homes and remote controls.

II. 次の会話文について、自然な対話になるように1～5に入るものをア～オから選び、記号で答えなさい。

Maki: Hey, I was wondering if you're free to join me on the school volunteer day next month. They're looking for students to clean up the local park.

Rika: Oh, the volunteer day? I'm not sure yet. I've never done anything like that before. It sounds like a lot of work. What exactly would we be doing?

Maki: _____ **1** _____

Rika: _____ **2** _____

Maki: _____ **3** _____

Rika: _____ **4** _____

Maki: _____ **5** _____

Rika: Sounds good! I'll definitely think about it. It's for a good cause and it would be a nice change from just studying all day. Thanks for telling me about it!

ア I'm going to do a little bit of everything, but I mostly want to help with the cleanup. Why don't you come with me? It's always more fun to do these things with a friend.

イ That actually sounds nice. And I guess helping the community would feel rewarding, too.

ウ Well, the main jobs are picking up trash and clearing weeds, but they also need people to help with organizing tools and managing the registration desk. You can choose what you feel comfortable doing.

エ Oh, I see. In that case, I might be interested. I'm not great with physical work, but I could definitely help with organizing things. How about you? What are you planning to do?

才 Exactly. It will be meaningful, and we can even include the experience in our school activity records.
